

Soul, Spirit & Wellbeing Weekend

The Manor House

The Green, West Auckland

County Durham DL14 9HW

Saturday 10th & Sunday 11th February 2018

A new year, and maybe for many of us a time to reflect on what areas of your life you would like to change or improve upon. To help you make those positive changes, we are organizing a fantastic spiritual and wellbeing event bringing together the best mediums, healers, readers, therapists, health gurus and suppliers of crystals, stunning jewellery, and other beautiful gifts.

We are delighted to welcome world renowned Medium, Author & Spiritual Teacher Gordon Smith who will be talking and sharing insights about his first fictional book "A Thin Place" and how this magical and beautiful story about loss, grief and healing, resonated so strongly with his own childhood.

On the Saturday, Gordon will also be presenting a 2-hour interactive buzz workshop "Creating A Stronger Link With Spirit". The workshop is suitable for students of all levels who are interested in expanding their spiritual awareness beyond their physical senses. This is a great opportunity to be taught by Gordon who will share his own unique ways of connecting with spirit.

Tickets are now available via the links below. We would strongly suggest that you book as early as possible, as tickets are limited with to 40 spaces available; and given that the price is only £25.00 we know these will go very quickly.

There will be taster sessions offered by our wonderful therapists in the stunning Knights Hall, and free demonstrations and talks taking place in the Eden Room throughout the weekend. All of which takes place at the historical Manor House Hotel in County Durham.

If you would like to make a weekend of it and chill out at The Manor House, there are superb rates on offer which include full breakfast and use of the spa/pool facilities - <http://www.strhotels.co.uk/manor-house-hotel/> . Please mention that you are coming along to this event – again we would advise that if you do want a room please book as early as possible.
